

Title : Performance Analyst

Location : Brussels

Type : Permanent

My client is a dynamic multi-cultural asset management firm with a global presence and a proven commitment in investing with people.

Their Performance team is divided into different groups – Equity, Fixed Income, Balanced and Alternative Investments. Due to expansion, they have several opportunities for junior and experienced performance analysts who are seeking to take their performance career to the next step. This is an attractive opportunity with realistic natural evolution to roles in fund management, marketing or product specialists. Possibilities to be based in other offices of this truly international company and CFA sponsorship is available to all.

To be considered, you will ideally have 2-3 years experience in performance analysis. The basic prerequisites are good knowledge of financial instruments, communication skills and clear motivation to pursue a career in performance and risk.

All applications will be considered in strictest confidence. Please send your CV to Claribelle Guangco at claribelle.guangco@bridgemaninternational.com with subject title: Performance Analyst (Brussels).
